

BUILDING TEAM DYNAMICS

POWER OF TEAM™

Effective team building is a vital process for an individual's peak performance. Power of Team™ is designed to actively and strategically bond student leaders together to form teams, inculcating team unity, esprit de corps, mutual support and cooperation. It educates them on the winning criteria of being a team player who effectively make contributions to the team's dynamics and success.

POWER OF SHARED VISION™

Power Of Shared Vision™ unravels the potential of interdependence for teams in helping them to establish their own team values and shared vision that unites them in focus, strengths, talents and energy. Student leaders learn to personally take ownership for the success of their own team by being one in heart and mind.

POWER OF ALLEGIANCE™

Beyond just having a functional team, the Power of Allegiance™ builds upon foundational understanding of teamwork to equip student leaders to see the need to identify great team players, engage them to give sacrificially for wider synergistic impact and begin to appreciate that great teams consist of team members with outstanding attitudes.
