

## **DISC! PERSONALITY PROFILING DISCOVERY™ SOLUTIONS**

To know and master oneself is a great asset for any individual. The DISC Personality Profiling Discovery™ Tool equips participants to gain a greater self-awareness and intrapersonal understanding of their personality. Individuals are taught to strategically harness their strengths, develop their weaknesses and overcome their blind-spots, thereby enhancing personal effectiveness in the various streams of specialization:

### **DISCOVERING ME: COMMUNICATION™**

In this specialization, participants will gain a deeper understanding of how their DISC personality affects their communication with others around them, and are also equipped with various strategies to relate effectively and positively with others within the DISC personality framework.

### **DISCOVERING ME: LEARNING™**

In this specialization, participants will gain a deeper understanding of how their DISC personality affects their learning, studying habits, and examination seating style. It also takes on a deeper holistic approach to equip participants with personality-relevant examination tips.

### **DISCOVERING ME: TEAMWORK™**

In this specialization, participants will gain a deeper understanding of how their DISC personality affects the way they work and relate with their team members toward accomplishing a task, thereby equipping participants to be more effective in teams, group activities and projects.

### **DISCOVERING ME: LEADERSHIP™**

In this specialization, student leaders will learn how to gain respect from others, understand their members, know how to effectively lead others and delegate work in a group, with a strong understanding of different personality types.

### **DISCOVERING ME: CAREER™**

In this specialization, participants will gain a deeper understanding of how their DISC personality affects their choice of career, and be equipped to make well-informed decisions with regards to their career possibilities.
