## DREAMS! CAREER READINESS™ SERIES

### DREAMS! DARE TO DREAM™

Dare To Dream™ sets out to enable fresh secondary one students to see the various possibilities of who they can be when they do grow up and enter into the workforce. It inspires them to love to learn and discover new possibilities in life and school, ultimately building their self-awareness in who they can become in the future when they enter the world of manifold careers.

### DREAMS! MY PASSIONS & STRENGTHS™

My Passion & Strengths™ helps participants to see the reality and importance of their streaming as related to their dreams, career and education possibilities and paths, and hence take ownership to prepare and plan for their future. In addition, students will also learn how to make well-informed decisions as to their streaming based on a deeper awareness of their passions and strengths.

### DREAMS! THE PERSON WITHIN™

The Person Within™ equips participants with a greater self-awareness of the traits, strengths, weaknesses and potential of their personality. Such increased self-understanding and intrapersonal intelligence allows participants to access their suitability toward various career paths, and hence make prudent decisions with regards to their potential academic path and tertiary possibilities that they should embark on.

### DREAMS! EQUIPPED TO EXCEL™

Equipped To Excel™ teaches participants on the importance of preparing oneself to be ready and relevant for the changing economy, equipping them to know how to identify trends in the dynamic job market, research and choose a career that is relevant for them. This solution also teaches students how to chart their education and career path, and how to effectively and resourcefully prepare for a successful job interview.
